

GDPR STATEMENT

Your personal and business information will be held by BORDER ENGINEERING TRAINING ASSOCIATION (B.E.T.A.) which, manages, assesses and audits modern apprentices employed by member companies and is shared with other organisations that provide services to BETA so that we can look after your relationship with us in a professional manner. Your rights over your personal information and how this is used is detailed in our Data Privacy Notice which can be found on our website at:

http://www.bordereta.com/About_us/QR57%20Privacy_Policy_Statement.pdf

You should also look at our [GDPR mapping](#) of what and where the data collected is used. It explains how we use the information we collect to register you with the relevant lead bodies we work with to allow apprentices to gain their qualification.

BETA may also use photos of apprentices, companies and their staff to promote engineering apprenticeships on their website, facebook and twitter along with advertising/information flyers. You will be asked to sign BETA's Generic Digital Asset Consent form to allow us to use this type of media.
